CHAMBER OF COMMERCE

...with thanks from the Chamber of Commerce

The members of the Lafayette Chamber of Commerce are pleased to present this millennium edition of the Lafayette Business and Community Directory. The Chamber is a volunteer based organization serving the interests of the business community and with an ongoing commitment to the City of Lafayette. With this in mind, the Directory is not just a listing of local businesses, but is also a valuable resource for information regarding the City of Lafayette including data on demographics, schools, local and regional governments , and an economic profile of our city.

Lafayette has an exciting "full-service" business community, offering a complete array of professions, trades, dining and products from gourmet foods and designer apparel to bargain shopping – and all close to home! Our member businesses are conveniently listed alphabetically and by business category in this Directory.

We encourage you to patronize these local shops. Because of Lafayette's "no-tax" status, the city is uniquely dependent on sales tax revenues. Indeed, almost 35% of Lafayettte's revenues comes from sales tax. Therefore, for the benefit of the city and you, the residents, we encourage you to support our on-going campaign to "Shop Lafayette" whenever possible.

The Chamber office is open for you five days a week. Please call 284-7404 for more information about any aspect of business, government or community life in the City of Lafayette, We are here to serve our community.

Community Events

Lafayette Art & Wine Festival

The Lafayette Art & Wine & Festival was launched in 1996 and the two-day celebration quickly became the city's largest and most successful downtown event. More than 35,000 persons attended in 1998, strolling among stalls of art handmade crafts, sampling foods from top local restaurants, and enjoying quality wines and microbrews. Non-stop musical entertainment on two stages throughout the weekend helped spark the block party ambiance. On Sunday morning, hundreds more line the street for the city-sponsored parade.

Lafayette Reservoir Run

The Lafayette Reservoir Run has become the city's largest "family affair", involving kids, parents, grandparents, and hundreds of serious runners from throughout the Bay Area. 1500 - 2000 participants compete in a 10k, 5k or 2 mile race thorough the heart of the downtown, around the reservoir and back. Sprinters, walkers, the "stroller brigade" and many of Lafayette's top four legged residents share the streets on that festive Sunday morning.

The Chamber of Commerce and the City of Lafayette are co-sponsors of the Run which is traditionally held on the last Sunday in October. Beneficiaries of the event are the local schools and the services and programs of the Chamber.

THE EARLY DAYS

Brown's Mill, Brown's Corners, Centerville, La Fayette - our community has had many names. It was officially granted the name Lafayette in 1855 when Benjamin Shreve, the town's first school teacher, applied for a post office for the village.

Pioneer Store, 1903. Benjamin Shreve's store, built circa 1864, was purchased by Robert McNeil in 1902 and operated by him until 1935. The building, located at 3535 Plaza Way, is Lafayette's oldest remaining structure. It was dedicated as a State Point of Historical Interest in 1970.

Located on land that once encompassed an entire Mexican land grant (Acalanes Rancho) and portions of four others, Lafayette was first settled in 1848. While the original land grant was made in 1834 to Candelario Valencia, the town founder was the third Rancho owner, Elam Brown. He bought the one square league Rancho for $900.

As the hamlet straddled the road that led from the Moraga Redwoods to the lumber shipping point at Martinez, early Lafayette became a stop-over spot for wagon drivers. When Brown established a grist mill in 1853, the center of the farming village moved toward the present Mt. Diablo-Moraga Road intersection.

Lafayette remained a quiet farming village until the post-World War II building boom turned cornfields into housing developments.

The City marked the 150th anniversary of the arrival of the Yankee settlers in 1998. Throughout the year-long Sesquicentennial celebration, several new monuments to our history were dedicated. These sites included the spot on Happy Valley Road where founder Elam Brown and his family built their first home; the site of the Pony Express Station which served from 1860-1861, located near the present intersection of Mt. Diablo and Moraga Road; and the homestead of Jenny Bickerstaff, the community's first teacher, in the Diablo Foods parking lot today.

For more information on the City's history, contact the Lafayette Historical Society, P.O. Box 133, Lafayette, CA 94549.

Lafayette Schoolhouse, (above) circa 1900. Built in 1893, it was Lafayette's third school. In 1927 the Lafayette Methodist Church moved into the building, which still stands on Moraga Road.

Lafayette and The Plaza, circa 1910. Left to right: The Geils Building, Pioneer Store, Stark's Meat Market, Lamp's Hotel, Peter Thomson's Blacksmith Shop.

Lafayette Post Office, 1904, on Mt. Diablo Blvd. at the junction of Moraga Road. The office was moved here from its first location in the Pioneer Store. Carrie Van Meter (standing) was Postmistress from 1904 to 1927. Her daughter, Pearl, is seated at right.

Wayside Inn, built in 1894 by Edward J. Brady & Co. on a portion of the mill lot owned by Elam Brown. In the early years the Inn was known as a "first class" saloon. This photo was taken about 1910. The building still stands at 3521 Golden Gate Way. It was dedicated as a State Point of Historical Interest on June 13, 1970.

Good Templar Lodge, built in the early 1860's. Located on a hill at the east side of Plaza Park, across from the present Park Theater, it was also used as a church building. It was purchased in 1927 by Clarence and Freida Brown for $1500. The building was torn down and the hill leveled for a service station.

THANKS FOR 31 WONDERFUL YEARS!

Do You Remember 1968? That was the year Lafayette became a city; the Green Bay Packers beat the Oakland Raiders 33-14 in Super Bowl II; Jackie married Ari; the mini-skirt was more popular than the midi; everybody was humming or singing *Hey Jude,* the Beatles' big hit . . . . and in April that year a new kind of supermarket was started, featuring only the best USDA-graded meats, fresh-daily fish, local fresh poultry, extra-fancy produce, and the friendliest clerks. That was us—Diablo Foods. We're bigger now, but we're still locally owned and we still care about you. Thanks for 30 wonderful years! Please keep coming back!

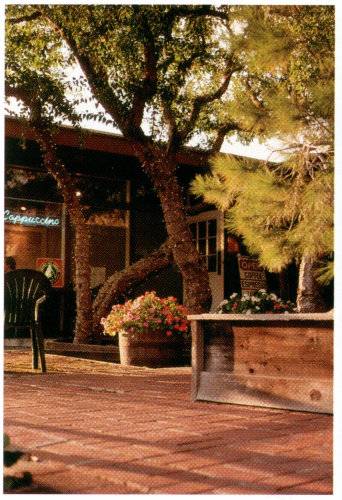
SHOP LAFAYETTE!

PHOTO – DAN ROSENSTRAUCH / CONTRA COSTA TIMES



PLEASE SUPPORT LAFAYETTE'S MANY FINE STORES, RESTAURANTS AND OTHER BUSINESSES...

While nearby cities struggle with achieving a human scale among mega shopping centers and big box retailers, Lafayette continues to provide the "small town downtown" features the city's leaders - past and present - have strived to achieve. Lafayette today is experiencing an exciting renewal in the core commercial area, fueled by private investment and the community's clear vision of what we want to be.

La Fiesta Square, formerly a tired retail center, has recently undergone a major renovation, bringing a vibrant look and new shops while reinvigorating long-time tenants and relocated Lafayette businesses. The long awaited Town Center Development opens in winter, 1999-2000, offering an additional 27,000 square feet of retail.

The Chamber of Commerce spearheads a continuing awareness campaign to remind residents of the value of shopping locally. Not only do our merchants offer top quality shopping choices coupled with high levels of personal service, but by keeping your shopping dollars and using your buying power within Lafayette, you put money back into the community which serves you.

There is a direct correlation between purchases made in Lafayette and the services that the City is able to provide its citizens. Nearly 12% of all sales tax collected in Lafayette is returned to the City and is a significant part - 33.7% - of the City budget. Street repairs, police services, youth and senior services are only a few of the programs which may be reduced or increased depending on the amount of money available to the City's coffers.

Your dollar has more direct impact on your own community in Lafayette than in any other city in Contra Costa County!

LAFAYETTE SCHOOL DISTRICT BOARD MEMBERS

Scott Sommer

Welcome to the Lafayette School District. A kindergarten through eighth grade district, the system includes about 3500 students in four elementary (K-5) schools and one intermediate (6-8) school.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: Reading, Language Arts and Mathematics. As a result, the students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and community.

Persons who will have children attending one or more of the Lafayette schools should notify the district as soon as possible to help insure that their children's academic needs will be properly met.

ACALANES UNION HIGH SCHOOL DISTRICT SCHOOL BOARD MEMBERS

James J. Perino, Ed.D., Superintendent
Bill Jasper — Margot Tobias
Eleni Wanken — Fred Weil — Robert Wood

One of five schools in the Acalanes Union High School District, Acalanes High School in Lafayette prides itself on the quality of its educational program which provides a solid foundation for students from Lafayette and part of Walnut Creek. Over ninety percent of students attend college following graduation.

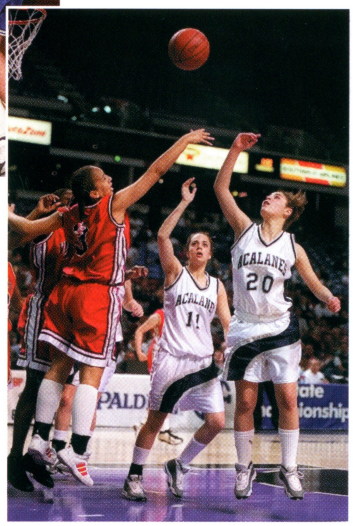
Acalanes High will start the new millennium with an expected student population of over 1400. By 2005, student population is expected to soar to 1564.

To keep pace with an increasing enrollment and new instructional strategies which require a technology-rich learning environment, an extensive school modernization plan is underway. This plan will increase the number of classrooms, infuse state-of-the-art technology throughout the school, and upgrade existing infrastructure which, in some cases, dates back to the early '40's. The modernization is made possible by the $48 million bond which the community passed in November 1997.

Acalanes offers a broad and challenging selection of academic, vocational and technical courses. With a comprehensive college preparatory curriculum, students have access to a wide range of advanced placement courses as well as extra-curricular activities like student government and newspaper. In addition, the school provides a strong visual and performing arts program and a full range of competitive sports for boys and girls.

Acalanes fosters close ties with the school community including Parents' and Boosters' clubs, Lafayette Arts and Science Foundation (LASF), Chamber of Commerce, City of Lafayette, and the Acalanes District Education Fund.

For more information about Acalanes High School, visit the school district web site at *www.acalanes.k12.ca.us.*



All of Lafayette was bursting with pride when the Acalanes High School "Lady Dons" won the 1999 California State Girls' Basketball Championship!

Lafayette Reservoir & Recreation Areas

Located off Mt. Diablo Boulevard on the west end of Lafayette, the Lafayette Reservoir was completed in 1933 to be used as a standby supply of drinking water for East May Municipal Utility District (EBMUD) customers. The 925 acre site with a 1.4 billion gallon reservoir was opened to public recreation in 1966. Besides being used as an auxiliary water supply, the reservoir is a recreational area for hiking, fishing, boating and picnicking.

The recreation area is open year-round during daylight hours. Opening and closing times are posted at the gate. There is a daily parking fee for cars or a yearly permit may be purchased instead.

Fishing is $2.00 per day at the reservoir and the usual state license requirements and bait restrictions apply.

3 Photos – Gary Albright / Design for Advertising

EBMUD and the State Department of Fish and Game plants many thousand catchable trout each year. The reservoir also contains bluegill, black bass, black crappie and several kinds of catfish.

Privately owned rowboats, canoes, kayaks and sailboats are allowed at the reservoir.

There is a fee for boat registration. In addition, there are rowboats and pedal boats for rent at the visitor center on an hourly, half-day or all-day basis.

Surrounding the Lafayette Reservoir are 135 picnic tables and barbecues to accommodate families and small groups. Most picnic areas are located near the dam; others are scattered around the reservoir and are accessible by boat or on foot.

Open fires and barbecues outside of developed areas are not allowed.

Two areas are set aside for groups, one for up to 50 with prior reservations. The other area can accommodate up to 250 people. There is a prepaid reservation fee required. The reservation fee will be refunded if 15 days' advance notice of cancellation is received.

There is a $5.00 per vehicle entrance fee for parking; meter parking is 50 cents per half hour (maximum two hours). Annual card is $75; $37.50 for seniors. Call 284-9669 for further information.
